

## REMARKS

The Office Action indicates that claims 19 and 20 show significant changes to the original claims.

Applicant is uncertain why the copy of the application as filed does not show claims 19 and 20 as indicated in the amendment. Applicant is enclosing pages 37 and 38 from our copy of the original application as filed. Our copy indicates that claims 19 and 20 as originally filed are identical to claims 19 and 20 in the amendment. If our copy of claims 19 and 20 are not accurate, we will agree ahead of time to use whatever the Examiner has as claims 19 and 20, but would appreciate receiving a copy so that our copy of the application as filed can match the copy in the Examiner's files.

In light of the statements above, Applicant respectfully requests examination of claims 1-36. If any impediment to the allowance of these claims remains after entry of this Amendment, and such impediment could be alleviated during a telephone interview, the examiner is invited to call David W. O'Bryant at (801) 478-0071 so that such matters may be resolved as expeditiously as possible.

The Commissioner is hereby authorized to charge any additional fee or  
to credit any overpayment in connection with this Amendment to Deposit  
Account No. 50-0881.

DATED this 27th day of September, 2004.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David W. O'Bryant", written in a cursive style.
